

BENEFITS

Crush the afternoon crash

When 3pm rolls around and your head starts to droop, Feals Focus Melts are here to save the day and recenter your focus within minutes—without the crash, anxiety, or sleeplessness that comes with caffeine.

20 Fast-acting, convenient,
dissolvable tablets

No jitters or crash

Naturally
appetite-curbing

100% Caffeine
and drug free

How to use the Melts

Banish the caffeine! When that afternoon crash threatens to derail your day, let our Focus Melts keep you on track.

Take one small tablet anytime you need a boost of focus. Allow it to fully dissolve in your mouth and you'll start feeling clearer in just a few minutes.

Your key to owning the afternoon

Tetracitrene™ is a proprietary compound that unlocks the powerful, focus-enabling benefits of non-hemp cannabinoids without drowsiness.

Crafted from citrus peels, the **Tetracitrene™** in our Focus Melts is the key to beating the afternoon slump so you can reclaim your day without caffeine ruining your night.
